

Share the warmth this winter.

Many of us take a warm house for granted. Others face winter knowing they can't afford to heat their homes.

Your donation to the Heat Helper Fund helps these struggling families stay warm. It was established by Loup Power District and is administered by Columbus Emergency Relief, Inc.

All donations will be handled locally through Columbus Emergency Relief, Inc., and 100% of donations are used to pay heat-related bills for Platte County residents and those served by Loup Power District.

Donations are tax deductible.

Heat Helper Fund Contribution

Your tax-deductible contribution will go to families who need help paying their heating bills this winter.

How to donate:

- Add your contribution to your Loup Power District Payment
- Send your contribution directly to
Heat Helper Fund
PO Box 164
Columbus, NE 68602-0164
