For Immediate Release: February 24, 2010

## **Loup Power District Recognizes Employees for Safe Working Practices**

Loup Power District recognized employees for safe working practices during 2009 at the annual District Safety Banquet at Loup River Inn in Fullerton.

District groups recognized for not having a disabling accident in 2009 were Albion Service Center, Albion Office, Clarkson Office, Humphrey Office, Newman Grove Office, Genoa Headworks, Monroe Powerhouse, Columbus Powerhouse, Columbus Retail, Columbus Meter & Maintenance, Columbus Maintenance & Shop, Columbus Canal Maintenance, Columbus General Office.

"Safe working practices are an important part of the operation at Loup and we are pleased to recognize these groups of employees for diligently working safely throughout the year," stated Rick Prater, Supervisor of Safety & Training at Loup Power District.

Loup Power District has served district communities for over 75 years providing reliable, low-cost electricity, economic development, and recreational services. Loup Power District serves customers in Boone, Colfax, Nance, and Platte counties, and a portion of Madison county. Loup offers electric power at rates that are 40 percent below the national average and 20 percent below the Nebraska average. More information about Loup Power District is available at their web site: [www.loup.com](http://www.loup.com).
